**Did you know?
Screening & Training of Personnel Who Work With Children**

Did you know that all Catholic school personnel in the Diocese of Pittsburgh are screened for their ability to work safely with children, are provided information and training to help them recognize and deal with issues of child abuse and are offered guidance and instruction on appropriate professional conduct with students? Likewise, all seminarians and candidates for the diaconate go through extensive evaluation and psychological assessment before entering formation. After ordination, priests and deacons receive ongoing training on maintaining the integrity of the ministerial relationship.

Diocese of Pittsburgh Abuse Hotline: 1-888-808-1235.

Pro-Life Corner
The television media will show the atrocities of war, violent shows and slasher movies, but we never see an abortion procedure exposed. They say that's too violent to be seen. If indeed we have a free press, why not present the facts and allow people to decide? Abortion is the killing of a baby. You won't hear that from the mainstream media. It's up to us to get the truth out.
