CONGRATULATIONS

Last Sunday Bishop Zubik awarded Lois Petrarca with manifesting the kingdom. Madonna del Castello rejoices with the bishop in the Light of Christ that shines so beautifully in Lois and in all those who give themselves so tirelessly to the Lord through His Church

JUBILIARIANS BRUNCH

Due to construction in the social hall, I am sorry to have to postpone the Jubilarian Brunch until further notice.

SOCIETY OF SAINT VINCENT DE PAUL

A conference of the Society of Saint Vincent de Paul was started in our parish in October. In our few short months, we have helped a number of our neighbors in need, both by visiting and providing friendship as well as matching them with assistance programs. Our Vincen-tians have been kept very busy and could use your help. We need new members, particularly those who are available on weekdays to conduct home visits to help assess our clients' needs. This is a great opportunity to put into practice "whatever you do to the least of my brothers, that you do unto me." Call the rec-tory for more information.

Learning Something New About an Abuse Related Issue

You can help create a safer environment for children by learn-ing something new each week about an abuse related issue. It doesn't have to be something major or time consuming to be a benefit. It could be as simple as keeping your eye open for news items or statistics that broaden your understanding about different types of abuse, characteristics of abusers, warning signs that a child is a victim and other such information. The sources are all around you....TV, radio, newspapers, magazines, the Internet, co-workers, peer groups.... It's up to you to create a specific action plan that defines how much effort you'll invest each week and how much you intend to learn, and then to iden-tify specific sources of information.

Please call 412-371-8587 to make sure the classes you wish to see are not on a field trip. Financial Aid is available. Learn more about the school on their web page—wordofgodschool.org.
