**Did you know?
Teach Children to Say, "Stop It"**

Child Safety tip: Teach children to say, "Stop It," to instructions that might encourage them to do things they really do not want to do. Reinforce the rule that children should say "Stop it" to requests or demands that make them uncomfortable, even if they think they should obey. A discussion of these rules can teach a child that there are some times when it is okay to say "Stop It" and other times when it is okay to go along with the instructions.
