LOOK FOR THE LIGHTHOUSE MEDIA**Do you know St. Mark, Feast day April 25?**

St. Mark joined St. Paul and St. Barnabas on their first missionary journey to Antioch in 44 A.D. When the group reached Cyprus, Christian tradition holds that Mark left them and returned to Jerusalem, possibly because he was missing his home (Acts 13:13). This incident may have caused Paul to question whether Mark could be a reliable missionary. Mark's hopes to visit Asia Minor were most likely carried out, because during Paul's second captivity and just before his martyrdom, Paul wrote to Timothy at Ephesus advising him to "take Mark and bring him with you [to Rome], for he is profitable to me for the ministry" (2 Timothy 4:11). If Mark returned to Rome at this time, he was probably there when Paul was martyred. According to Christian tradition, Mark also held a close relationship with St. Peter, who referred to Mark as 'his son' in his letter addressed to a number of churches in Asia Minor (1 Peter 5:13). Clement of Alexandria, Irenaeus and Papias all indicate that Mark was an interpreter for Peter. Although Papias states Mark had not personally heard the Lord speak firsthand and, like Luke, Mark was not one of the twelve apostles, some believe Mark was likely speaking of himself when he wrote the description of Jesus' arrest in Gethsemani. "Now a young man followed him wearing nothing but a linen cloth about his body. They seized him, but he left the cloth behind and ran off naked" (Mark 14:51-52). St. Mark lived for years in Alexandria, where he died as a martyr while being dragged through the streets. **Please be sure to place your suggested donation in the money slot on the display so the ministry can be self-supporting.**
