

Parish Announcement

Beginning July 1, 2020, the parish of Madonna del Castello has combined with other parishes in the eastern suburbs of Pittsburgh creating a new parish named St. Joseph the Worker. Each of the individual parishes no longer retains their original names in the new organization. The official notification from Bishop David Zubik of the new parish can be found in the [July 12, 2020 bulletin](#). The weekly bulletin for the new parish may be accessed on the website for St. Joseph the Worker Parish (sjwpitt.org). The Madonna website is currently being retained as an archive site for access to the photos that describe the 100 year history of the Madonna del Castello parish.
